THE RAILROAD BILL.

AN ACT

To authorize the County of Placer to loan its credit to "The Sacramento, Placer and Nevada Railroad Company," to the amount of \$100,000.

The People of the State of California represented in Senate and Assembly, do enact as follows:

SEC. 1. Whenever the Sacramento, Placer and Nevada Railroad Company by and through its Board of Directors and President shall make written application to the Board of Supervisors of the County of Placer at any regular or stated meeting of said Board, requesting said County of Placer, through its properly constituted authorities, to issue to said Railroad Company the bonds of said County in the total sum of \$100,000, it shall be lawful for said County to issue its bonds and dispose of them in the manner following and subject to the following conditions:

SEC. 2. Upon the receipt of said petition from said Sacramento, Placer and Nevada Railroad Company, the Board of Supervisors shall entertain the same, and in order to ascertain whether the people of said County are willing that its credit shall be loaned as desired by said Company, said Board of Supervisors shall, within sixty days after the receipt of said petition, order a special election to be held in said County at which shall be submitted the proposition of said loan to said Railroad Company, to be voted upon by the qualified voters of said County.

SEC. 3. The said election shall be fixed by said Board of Supervisors, for some day not less than thirty nor more than sixty days, from the time of making said order. Said Board shall cause a notice of said election to be published for the period of four weeks next before the day of said election, in two or more newspapers published in said County, which notice shall specify the time, place and object of the election, and the proposition to be voted upon, and the places where the polls will be opened on said day of said election, which shall be the same as the places fixed for said purpose at the last preceding general election. They shall also appoint judges and inspectors of said election, and cause notice thereof to be given as in other elections authorized by law. No compensation shall be allowed to any judge, clerk, or inspector acting at said election.

SEC. 4. Upon the day fixed by said order, the said election shall be held. Each of the electors voting at said election, shall have written or printed upon his ballot the words "Railroad Loan, Yes," or the words "Railroad Loan, No." The election shall be conducted and the returns thereof shall be made and transmitted to the County Clerk within the time and in the manner prescribed by law at general elections. On the fifteenth day after the day of holding said election, the Board of Supervisors shall meet and canvass said returns, and declare the result.

SEC. 5. If upon the canvassing of said returns, it shall be found that the votes cast at said election having written or printed upon them the words "Railroad Loan, Yes," or the words "Railroad Loan, No," a majority have written or printed upon them "Railroad Loan, No," then the Board of Supervisors shall, within sixty days after the receipt of said returns, order a special election to be held in said County at which shall be submitted the proposition of said loan to said Railroad Company, to be voted upon by the qualified voters of said County.

SEC. 6. When it shall be ascertained in the manner prescribed in section five of this Act, that the majority of the votes cast at said election, having written or printed upon them the words "Railroad Loan, Yes," or "Railroad Loan, No," shall be written or printed upon them the words "Railroad Loan, Yes," then it shall be the duty of said Board of Supervisors whenever thereafter requested by the President and Board of Directors of said Railroad Company, to prepare and issue to said Railroad Company, the bonds of said County in the amount of one hundred thousand dollars. Said bonds may be in sums of two hundred and fifty, five hundred, or one thousand dollars each, as may be requested by said Railroad Company; they shall express upon the face the nature of the loan, and the object for which they are issued; shall be payable in twenty years from their date; shall bear interest at the rate of eight per cent per annum, payable semi-annually on the first days of July and January of each year, and shall have interest coupons attached expressing the rate and time of payment of interest as above specified. The said bonds and coupons shall be made payable at the office of the Treasurer in said County.

SEC. 7. Said bonds shall each be signed by the President of the Board of Supervisors and the Treasurer of the County, and shall have the County Seal affixed to each. The very bond and coupon shall be signed by the Treasurer of said County. Both bonds and coupons shall be made payable to the "Sacramento, Placer and Nevada Railroad Company or bearer," and each bond shall bear upon its back a certificate signed by the President and Board of Supervisors, setting forth that it is duly and formally issued as contemplated by law. Said bonds shall be transferable by delivery and whenever so executed and issued, shall be the bonds of said Placer, and shall be valid and enforceable to the principal and interest as therein expressed.

SEC. 8. Whenever the bonds of the County of Placer shall be issued and delivered to the Railroad Company, as prescribed in the last section, the "Sacramento, Placer and Nevada Railroad Company" shall, at the same time deliver to the President of the Board of Supervisors of said County, for the benefit of said County, the bonds of said Railroad Company of equal number in like amounts, maturing at the same time, bearing the same rate of interest, and interest payable at the same time as the bonds of the County, so executed and issued. Said Railroad bonds shall be made payable to the County of Placer, or its order, and shall be signed by the President and Secretary of the Company, and countersigned by the Vice President of the Company, and the full and true receipt of said County, and the interest coupons shall be attached, corresponding in date, amount, rate and time of payment, with the coupons attached to said County bonds, which coupons shall be signed by the Treasurer of said County.

The said Railroad Company shall at the time designated in the last section, by and through its proper officers, execute under the seal of said Company, a second mortgage upon all the property, real and personal, and franchises of said Company, then owned and possessed and hereafter to be acquired by said Company, and security for the payment of said railroad bonds and coupons as prescribed in the last section; which said mortgage shall be and express upon its face that it is subject to the mortgage of said Company, made and delivered to Lester L. Robinson and Francis L. A. Froche, bearing date first of September, eighteen hundred and sixty-one, and of record in said County, but shall not be subject to any other mortgage or incumbrance upon said property. The bonds of Placer County shall only be delivered to said Railroad Company upon the delivery by said Railroad Company, to the President of the Board of Supervisors, of the bonds and mortgage of the Railroad Company as prescribed in this Act.

SEC. 9. The mortgage provided for in the last section shall provide by its terms for a sinking fund to be reserved from the revenues of said Company, sufficient to secure the payment of the principal and interest of the bonds of said Company, so given to the County, at maturity, and shall so pledge the revenues of the Company to the said sinking fund that no dividend shall be declared by the Company except its moneys in excess of a sufficient portion of its net revenues to be set apart to said sinking fund to ensure the

payment of said bonds and coupons, thereto attached, at their maturity. The Board of Supervisors of said County, or the President thereof, at any time and at regular sessions of said Board, and at all other proper and reasonable times, shall have power to examine into the affairs of said Railroad Company, and for that purpose may examine the books, papers, accounts and documents belonging to the Company; and it is hereby made the duty of the officers of said Railroad Company having the custody of any such books, papers and accounts to exhibit the same for the examination of said Board.

SEC. 11. The Board of Supervisors of said County shall for each year, at the same time as the other taxes are levied for County purposes, levy a special tax upon all the real and personal property within said County subject to taxation for the purpose of meeting the whole amount of interest to become due within said year upon said County bonds. In making said levy said Board shall designate the number of cents on each one hundred dollars of said taxable property which shall be so taxed for said purpose, and the tax so levied shall be known and designated as the Railroad Tax.

SEC. 12. The tax so levied shall be assessed and collected at the same time, by the same officers, and in the same manner as other county taxes are levied and collected, for which said officers and the County Treasurer, for disbursement shall receive the same rate of compensation as is allowed by law for the collection and disbursement of other county taxes. The tax collector upon the collection of said tax shall give to each tax payer a separate receipt which shall show upon its face the amount of Railroad Tax paid by him. The receipts shall be printed and all similar in form; differing only in name, date and amount.

SEC. 13. The County Treasurer shall separate the amount collected on Railroad Tax from other moneys in the Treasury and shall keep the same in a separate fund to be called the Railroad Fund, which fund he shall keep a separate account.

SEC. 14. The Board of Supervisors shall provide for the prompt payment of the interest on said County bonds, as the same falls due, and for this purpose they shall, as nearly as possible at the time of making the annual levy, estimate the percentage of tax necessary to be levied to meet said interest for the next succeeding year, and shall fix the levy at said amount. Should there for any reason be a deficiency in the Railroad Fund, derived from said tax to the payment of any interest as it falls due, it shall be the duty of said Board to provide for the payment of said interest out of the General Fund of said County, and in such case they shall in their next levy provide a sufficient fund to pay the accruing annual interest and also, to reimburse the General Fund with the amount so taken from the same to pay said interest.

SEC. 15. In addition to the moneys arising from the Railroad Tax aforesaid, the County Treasurer shall also place in said Fund all moneys paid into the Treasury of said County by said Railroad Company, for interest or principal upon the bonds of said Company held by said County; and said money shall be used by the Board of Supervisors for the payment of interest on said County Bonds in like manner as the money raised by the Board of Supervisors by the tax paid into said Fund by the said Railroad Company shall equal the amount of interest to fall due upon the said County Bonds for the ensuing year, no Railroad Tax shall be levied by said Board.

SEC. 16. At the expiration of five years from the time of issuing said County bonds the said Board of Supervisors shall provide a Sinking Fund for the purpose of securing the payment of the principal of said bonds at their maturity; and for this purpose they shall impose such special tax as they may deem necessary, and shall collect the same, and shall pay the same into the said Sinking Fund, together with all the moneys received from said Railroad Company not applied to payment of interest shall be applied toward the redemption of said bonds in such manner as said Board may deem most expedient for the interests of said County.

SEC. 17. The interest accruing upon the Railroad Bonds given by the Company to the County during the period of three years from the date of said bonds, shall not until the expiration of said three years be required to be paid in money to the County, but shall be paid in kind, and the full collection be taken within said period by the County.

SEC. 18. At the time within the said period of three years when the interest upon the bonds given by the Railroad Company to the County shall fall due, the County Treasurer shall issue a number of shares of full paid stock of said Company equal in value at par to the amount of said interest, and shall deposit said stock with the Treasurer of said County for his disbursement as hereinafter provided.

SEC. 19. Upon the presentation and delivery to said County Treasurer of one or any number of the Railroad Tax Receipts mentioned in Section eleven, by any holder of the same, showing the assignors, of one hundred dollars of the Railroad Tax herein provided for, the said Treasurer shall issue to said holder a share of the full paid stock deposited with him by said Company, and said person shall be the owner thereof. The said tax receipts shall be transferable by indorsement and may be presented for exchange by any indorsee, or if indorsed in blank by the bearer of the same. The Treasurer shall exchange full paid stock for said tax receipts at the rate of one share of stock for each one hundred dollars of tax receipts so long as said tax receipts shall be presented for exchange. If any holder shall present to the Treasurer receipts amounting to more than one hundred dollars of tax receipts, he shall aggregate to an even number of hundreds of dollars, the Treasurer shall issue shares of stock for the even hundreds, and a receipt signed by him for the fractional sum. Such receipts shall be transferable and exchangeable for stock in the same manner as the Receipts Tax Receipts.

SEC. 20. So soon as the Tax Collector shall have made his returns in each year, the County Treasurer shall estimate whether the amount of Railroad Tax collected for which Railroad Tax receipts have been given exceeds the par value of the full paid stock which has been deposited with him by the Railroad Company; and in the event that there be such excess, he shall notify said Railroad Company of the fact and of the amount of said excess, and said Railroad Company shall immediately issue and deposit with said Treasurer sufficient additional full paid stock to meet said excess.

SEC. 21. The County Treasurer shall receipt for the Railroad Company for all the stock received by him from said Railroad Company, and shall preserve all receipts received by him in exchange for stock, and shall at the expiration of each year, and at the same time of receiving such receipts write "Cancelled" on the face of each, and shall in a book kept for that purpose keep an account of the stock received and the tax receipts exchanged for stock.

SEC. 22. At the end of three years from the time of issuing said bonds, provided for in this Act, the County Treasurer shall credit the Railroad Company upon the interest due, or to become due, upon its said bonds, with the full amount of stock which during said period has been exchanged to said Railroad Tax receipts, less an amount equal to the sums allowed and paid to said Tax Collectors and Treasurer for the collection and disbursements of said Railroad taxes; and shall return to said Company the coupons for the interest thus paid to the County, and the full amount of stock which during said period has been exchanged to said Railroad Tax receipts, less an amount equal to the sums allowed and paid to said Tax Collectors and Treasurer for the collection and disbursements of said Railroad taxes; and shall return to said Company the coupons for the interest thus paid to the County, and the full amount of stock which during said period has been exchanged to said Railroad Tax receipts, less an amount equal to the sums allowed and paid to said Tax Collectors and Treasurer for the collection and disbursements of said Railroad taxes; STATE NEWS.

THE "OLD AMERICAN UNION" COMPANY, says the *Amador Dispatch*, working on the McCollum Lead one mile from Lone City, have, at the depth of 16 feet, struck a vein of ore in which there is a seam four inches wide, which yields about 25 per cent. of silver, ten per cent. of copper, and four per cent. of gold to each ton of ore. There are other strata in the same vein on each side of the above seam which have not been tested as yet. The full width of the main vein has not been ascertained, as the company are sinking their shaft, by the head wall, seven feet wide, and have not yet obtained a foot wall in their shaft.

A correspondent of the *Marysville Appeal* at Smartsville, writing in relation to the copper mines in Yuba county, says, under date of April 6th:

The past week has been devoted almost entirely to the locating of claims, taking in a belt of country some seven miles in width, in an air line from Dr. Pearce's ranch, on the Honcut, to Bear river, some miles above McCourtney's Crossing. As many as 8,000 claims have been taken up. Meetings are being held and organizations formed for prospecting the different ledges.

A TELEGRAM from Firebaugh's Ferry announces that Juanito, one of the murderers of John Rains, near Los Angeles, was mortally wounded at the Ferry, on April 4th. He was trying to steal a horse belonging to an Indian, and shot at the Indian, wounding another man named Nueces. The Indian then shot Juanito three times, also mortally. Both Nueces and Juanito are mortally wounded. Procopio, another of Rains' murderers, is in the vicinity.

The Pittsburg Hotel, at the Pittsburg coal mines, Mount Diablo, caught fire a few days since, and its proprietor, Sidney Maupin and three of his children, perished in the flames. Mr. and Mrs. Maupin and their oldest son escaped, but Mr. Maupin went back again to try and save his other children, but perished with them. He was about 35 years of age and was a native of Boone county, Missouri; where his father, now of Suisun, was at one time Sheriff.

THE STOCKTON *Independent* says:

On last Wednesday a horse and dray belonging to Mr. Van Benschoten, proprietor of Graysonville on the San Joaquin, backed into the river while receiving freight from the steamer Alta. The dray was laden with goods at the time of the accident. Goods, horse and dray were swept down the river by the current and all were lost. Not a vestige was seen of either after the water ebbed over them. The loss was estimated at \$500.

THE INDIAN troubles in the Owens River District have grown sufficiently serious to claim the attention of the Federal and State authorities. Capt. Kopes, in command of the United States troops in Ruby Valley, has been reinforced by a company of the Second Cavalry from Benicia, armed with mountain howitzers. Gen. Wright has also requested Governor Stanford to call the Emeryville Rifles into active service.

RED ROCK, in the Bay of San Pablo, says the *Bea*, is said to be one grand paint mine; and one discoverer and present squatter is sued by a former discoverer who did not happen to see the mine there; and claims not only the island, but \$30,000 damages for being kept out of possession.

THE *Visalia Delta* of April 21st says:

Cumulative news has been received in town of the discovery of immensely rich diggings somewhere near the Colorado; and the result has been an extensive stampede in that direction within a day or two.

THE *Colusa Star* learns that a lead vein has been discovered about a quarter of a mile from the Sulphur Springs. Some of the ore has been smelted, and a quantity of quicksilver obtained. Claims have been staked off in all directions, and there is much excitement in regard to the discovery.

On Thursday, April 9th, John Turner, known as Peg Leg Turner, met with a fatal accident in Butte county. As he was riding a horse on Lynch's ranch, about twelve miles below Oroville, the horse becoming frightened, threw Turner, his head striking a stake and causing his death.

A MAN named Robinson, barkeeper at the Lick House, San Francisco, was thrown from a buggy lately and sustained a very serious compound fracture of one of his legs. He was riding on the beach with a companion, when his horse became unmanageable and overturned the vehicle.

A RICH coal mine was discovered a few days since but a short distance from the new silver mines between the South and Cold forks of Cottonwood, about eighteen miles from Red Bluff. The mine is said to be extensive, the lead which was discovered being six feet thick, pure coal, and burns finely, leaving but little if any ashes.

F. M. BURNETT, the person who rode through the town of Red Bluff exhibiting a secession flag, was taken over to Alcatraz yesterday for labor on the fortification for ten years or until the close of the war, with a ball and chain on his leg. General Wright approves the sentence of the Court martial at Camp Union.

DURING the past year \$10,000,000 have been sent from San Francisco to the interior says the *San Francisco Mining Press*, and has been invested mainly in mining operations.

MESSRS. Appleton & Mills of San Francisco returned lately from a trout fishing excursion to Hall Moon Bay country, having captured in twenty-six hours fishing, the round number of seven hundred trout.

THE *Visalia Delta* of 21st April says:

Mr. Van Valer has sold out his syrup manufacturing apparatus, and commenced cotton raising. He is planting some 20 acres, and has imported a cotton gin (the first in the State, we think,) to clean it with.

On Thursday night, April 9th, the house of Mrs. Connolly, in Lancha Plana, was destroyed by fire. Mrs. Connolly and her child were badly burned, and it is thought she can hardly survive. Her husband is at present in the Cariboo mines.

J. C. BRADBURY, a native of Massachusetts, was found dead in a room over his carpenter shop at Petaluma lately. He was habituated to excessive drinking.

JOSEPH Schuppert, of Napa, aged four years, while handling a butter knife, lately, stuck the point into his right eye, entirely destroying the sight of one of his eyes.

THE *Amador Ledger* learns from a private letter that A. A. Sargent will probably be a candidate before the Union State Convention for Governor of California.

Every housekeeper experiences how difficult it is in making good bread and we therefore take pleasure in calling attention to the fact that to insure uniformly light, sweet and nutritious bread, it is only necessary to use REDINGTON'S & Co.'s Yeast Powders, which in every respect excel all similar preparations ever offered to the public. See advertisement in another column.

In calling the attention of the reader to the advertisement of Dr. J. C. Young, to be found in another part of this paper, we feel we are answering the dictates of honest conviction in pointing out to suffering humanity the honest and skillful medical practitioner. It is the duty of every man, whose knowledge places it in his power, to act as a guide to those who otherwise would unwittingly take a wrong path. Throughout the length and breadth of our fair State is spread the insidious seeds of a terrible disease. No need to be thus. No need to wait out a life of pain and anguish and in the end to fill a dishonored grave. Hesitate no longer, unfortunate ones, but turn to the Doctor who alone can restore you, giving you in place of wasted energies and an impaired constitution, full health, vigor and power.

Actuated by the wish to exert his powers to cure, he proves his honesty by the motto: "No Cure No Pay." The Doctor's office is No. 615 Commercial St., opposite the U. S. Branch Mint, San Francisco, 45

SAFES! SAFES!
P. TILLMAN,
No. 90 BATTERY STREET, SAN FRANCISCO.

SOLE Agent for TILTON & McFALLAN'S Improved Fire Proof and Burglar Safes. This Safe is well known in the market for its unsurpassed fire-proof quality, having withstood in California, as well as in the East, the hottest fires known. We can refer to endless certificates from parties in our mining towns, where these Safes have been subject to the most severe tests of their fire-proof qualities. The Safes are secured by our Combination Lock. This Lock is in every respect the most secure one in use; it requires the key and combination to open the Safe. If the key should be abstracted from the owner, it would be perfectly useless to the possessor without his knowledge of the combination, or mental key, which the owner carries in his head. To those in want of a reliable Safe we offer the above cheaper than any other in the market.
A large assortment on hand and to arrive.
TILLMAN, 90 Battery st. 6m

MISCELLANEOUS ADVERTISEMENTS.

HALL'S SARSAPARILLA,
Yellow Dock and Iodide of Potass.
This celebrated preparation has won the test of six years with the California public—who are justly considered as a community the most intelligent in the world—during which period we are proud to say it has given more than satisfactory results. It has become the household remedy for Californians, particularly who, from much exposure, had food, imperfect shelter and irregular habits, suffer more from
RHEUMATISM
Than any community in the world; and we are safe in saying that as a rule, California Rheumatism cannot be cured thoroughly without the use of Hall's SARSAPARILLA.
It is the only preparation that will cure Rheumatism, as thousands can testify who have quitted the medicines of the best Doctors in the country, without receiving any benefit therefrom. It all cases it gives immediate relief when taken as per directions on the bottle.

FEMALES
In delicate health would do well to try the virtues of this remedy, as it secures a positive influence upon the vascular system not obtained by any other remedy. It quickly removes from the blood and other fluids the impurities of unhealthy secretions, which engenders a long train of diseases, such as Scrofula, Ulcers, Boils, Blisters and Pimples on the face and body, Humors, Pustules, Sores, Tumors, Rose or Erysipelas, Tetters, Scald Head, Swelled Neck, Liver Complaint, Lumbago, Chronic Sore Eyes, Gout, Cancer, Enlargement of the Ovaries, and diseases of the Heart, are cured by the renovating action of this truly valuable medicine. It acts like a charm, purifying the blood of all morbid and corrupt matter, and at the same time strengthens and invigorates the whole system. Salt Rheum will positively yield to the medical powers of this remedy, in conjunction with Hall's Rosemary Cerate, it has cured cases of over twenty years standing, the disease covering nearly the whole surface of the body.

MERCURIAL DISEASES
and all diseases arising from lead, mercury, and arsenic, such as aching pains in the bones, dimness of sight, low fevers, and worst of all, mercurial Rheumatism, are relieved by one bottle of this remedy. Night sweats, wasting of flesh, spitting of blood, habitual constipation, and piles—thousands can testify to the efficacy of Hall's SARSAPARILLA, Yellow Dock and Iodide of Potass in the above named diseases. It increases the appetite and the flesh, gives a healthy tone and vigor to the whole system, building up a new constitution. As the constitution is the blood and this remedy thoroughly purifies, cleanses, and purges it of impure matter, and at the same time stimulates into healthy action the whole Visceral System, which is engaged in the manufacture of the blood, hence the health of the whole system will follow, and a
LONG LIFE
with a healthy and cheerful mind—sure indications of a healthy body—can be obtained by the most delicate person, by thoroughly purging the blood in the Spring and Fall of the year, with HALL'S SARSAPARILLA, YELLOW DOCK AND IODIDE OF POTASS.

Imitations.
Owing to the great and unparalleled success of the remedy, hundreds of unprincipled persons seek to palm off on the public, worthless trash called by the same name. The Genuine Hall's SARSAPARILLA contains neither spirits, mercury or arsenic.
Sold by Druggists and Dealers everywhere for \$1, and by the proprietors,
